The following is bilvaaShTottarashatanAma stotra which praises Lord Shiva in beautiful words. It is recited during the worship of Shiva. The specialty of this hymn being that it uses words which are relatively simple in nature but at the same time have a really soothing effect to the ears when recited. This hymn extols Him as sarveshvara, Lord of everything, and sadaashaanta, ever-peaceful. Needless to say, it is most aptly suited for mAnasapuuja, mental worship. Bilva leaves are dearest to the Lord, and so are especially used in shiva puuja. Shriishaila or Shriigiri is one of the holiest shrines of Lord Shiva, located in South-India. Bilva trees are widely found on the mountains of this shrine. Hence this shrine is known as shriishaila.n (shrii here being referred to the bilva trees). Adishankara is supposed to have composed the immortal hymns shivaanandalahari and sau.ndaryalahari, while he was living on these holy mountains. Hence shriishaila.n is mentioned in both these hymns.

shivaali.ngitam). That very thought is enough to transport one into that infinite bliss. He is blessed who meditates on this undivided aspect of Shiva.
